LADY BRAHMACHARI READERSHIP

The following letter was received in September, 1944, from Sir Upendranath Brahmachari, Kt., Rai Bahadur, M.A., M.D., Ph.D., F.N.I., F.R.A.S.B., F.S.M.F. (Bengal), for the creation of a Readership on Medicine :—

“ 19, LOUDON STREET,
CALCUTTA,

The 2nd September, 1944.

To

THE REGISTRAR,

CALCUTTA UNIVERSITY,

CALCUTTA.

The Lady Brahmachari Readership Fund and Nilmoney Brahmachari Medal Fund for Readership in Medicine

DEAR SIR,

With the view of making a start for the creation of a Readership in Medicine in our University, I beg to make the following suggestions for the consideration of the Syndicate :—

The Lady Brahmachari Endowment Fund for Medical Research together with any other sum of money that may have accumulated in the same fund be converted into Lady Brahmachari Readership Fund.

In addition I shall make a donation of 3% Promissory Notes of the face value of Rs. 2,000 to the Readership Fund. Further, I request that the 3½% Promissory Notes already endowed by me and originally constituted as a Fund for Nilmoney Brahmachari Gold Medal for Medical Research and at present for the Lady Brahmachari Scholar be henceforth called Nilmoney Brahmachari Gold Medal for the above newly created Readership in Medicine and be added to the above funds. The interest of the above-mentioned Promissory Notes supplemented by the unspent interest of the Nilmoney Brahmachari Gold Medal Fund for medical research will be spent for the honorarium and the Gold Medal for the Reader, any balance left being used for the purchase of 3% non-terminable Promissory Notes which will be also added to the above funds.

By Readership in Medicine is meant special lectureship in a medical subject or in some other scientific subject in relation to Medicine. It will be given to a person highly reputed for his knowledge in that subject. The subjects referred to above are mentioned in the Rules for the Lady Brahmachari Endowment Fund for Medical Research.

The appointment of the Reader will be made by the Senate on the recommendation of a Selection Committee to be constituted as follows, provided in the 1st-year of appointment it will be made by the Syndicate on the recommendation of the donor :—

(1) The Vice-Chancellor, *Chairman*.

(2) The Dean of the Faculty of Medicine. If he is already a member in a different capacity then a member elected by the Faculty of Medicine.

(3) & (4) Two members nominated by the Syndicate.

(5) The Principal Calcutta Medical College or Supdt., Medical College Hospitals, as the Syndicate may decide.

- (6) The Principal, Carmichael Medical College.
- (7) One expert in Medicine or in an ancillary Science nominated by the donor, afterwards in Donor's absence, the Director of School of Tropical Medicine, Calcutta or Director, All-India Institute of Hygiene.
- (8) & (9) The Donor and one member nominated by him or their derivative nominees.

Four members shall constitute a quorum.

The Donor or his nominee will be entitled to nominate their own nominees respectively and the power of nominating their nominees shall be inherent in the derivative nominees of the Donor and of Lady Brahmachari respectively.

It is my request that the Readership will begin from the month of January next.

The Donor or the Selection Committee shall not be bound to recommend any candidate if in their judgment no person is available deserving of the honour.

The Selection Committee or the Donor, as the case may be, after such enquiry as they may deem necessary, shall draw up a report, recommending the name of a distinguished person for the Readership.

The Senate, for specified reasons, may request the Selection Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended.

The Reader will be appointed triennially. He will deliver a course of not less than three lectures at the Senate House.

The honorarium of the Reader shall be Rs. 2,000 in cash and shall be paid after the lectures have been delivered and the Reader has made over to the Registrar a complete copy of the lectures in a form ready for publication. In addition, the Nilmony Brahmachari Medal for Readership in Medicine will be awarded to him.

The name of the Lady Brahmachari Reader will be published in the Annual Calendar of the University.

The lectures of the Reader shall be published by the University within six months of their delivery, or as soon as possible thereafter and after defraying the cost of publication and other expenses, if any, the surplus sale proceeds shall be paid to the Reader in whom the copyright of the lectures shall vest.

The Reader must be a person who has passed the M.B. Examination of a recognised University with Honours in Medicine or Surgery or Obstetrics and has obtained the degree of Doctor of Medicine or Master's degree in Surgery or Obstetrics of a recognised University. Provided that a person who has distinguished himself for his researches in Medicine, Surgery or Midwifery, or any ancillary science and has an international reputation, may be appointed to the Readership without any of the preliminary University qualifications mentioned above.

If in any year no award is made the honorarium for that year and the cost of the medal shall be added to the above funds after being converted into 3% Promissory Notes.

The medal shall bear the inscription 'Nilmony Brahmachari Medal for Readership in Medicine' on one side and the University Arms on the other and shall be awarded publicly at the Annual Convocation for conferring degrees following the award. In the event of the absence of the recipient the award shall be announced by the Vice-Chancellor at the Convocation.

The Syndicate may make a grant not exceeding Rs. 100 to the Reader for any experimental work or apparatus that may be necessary in connection with his lecture.

Yours faithfully,

UPENDRANATH BRAHMACHARI "

Note.—(1) Sir Upendranath Brahmachari offered 3% G. P. Notes of the face value of Rs. 20,000 together with an accrued interest of Rs. 600 for the institution of a fund for medical research under the auspices of the Calcutta University, for creating a scholarship after his wife Lady Nanibala Brahmachari and the endowment to be called Lady Brahmachari Endowment Fund for Medical Research. The offer was accepted by the Syndicate on 4th July, 1941, with thanks.

In his letter, dated the 30th June, 1941, Sir Upendranath Brahmachari stated, among other things, the following—"Provided further the Board of Management may from time to time keep the scholarship in abeyance and utilise it for the purpose of Lady Brahmachari Readership irrespective of whether any money earmarked for the Readership is available out of any unspent scholarship as provided for in the rules for the Readership."

Rules governing the Lady Brahmachari Readership is printed in the University Calendar, 1942 (page 211).

Note.—(2) Sir Upendranath Brahmachari offered 3½% G. P. Notes of the face value of Rs. 1,500 for creating an endowment for the award of a gold medal in memory of his father, the late Dr. Nilmoney Brahmachari on certain terms and conditions. The offer was accepted by the Syndicate, dated the 2nd October, 1941, with thanks.

The offer was accepted with thanks by the Syndicate on 7th August, 1944.

DR. RADHABINOD PAL, M.A., D.L., *Vice-Chancellor*,
CALCUTTA UNIVERSITY, CALCUTTA.

DEAR DR. PAL,

For some time past it has been the desire of myself and my cousin and partner, Mr. Ramchandra Sur, Messrs. Sur Enamel and Stamping Works, Ltd., of placing at the disposal of our University a sum of Rs. 2,00,000 (Two lakhs) for the cultivation and advancement of fundamental research in

Pure Physics in the University College of Science. I have been impressed about the potentialities of researches in the Physics of Nucleus of the Atom and would be happy to be of some assistance to my *Alma Mater* in the carrying out of fundamental researches on this subject which, I am informed, had already been started. I have much pleasure in handing over to the University a sum of Rs. 2,00,000 (Two lakhs) in the form 3% War loan which may be converted into 3½% G.P. Notes for the benefit of a greater income in furtherance of this object, subject to the following conditions :—

(1) That the income of the amount be spent in founding a Readership in Nuclear Physics, to be called after our grandfather, Tarinicharan Sur Readership, attached to the University College of Science.

(2) That the basic salary of the Reader be Rs. 6,000 annually out of the income of the fund, but it would be open to the Senate to supplement such sum from the University or from other funds at their disposal from time to time.

(3) That the appointment to the Readership be made by the Senate upon the nomination of the Board to be constituted as stated hereafter and the power of removal of the Reader by the Senate, if occasion should ever arise, should be exercised only after the matter has been considered by the said Board.

(4) That the person elected to this Readership may be allowed to proceed for not more than a year to foreign countries, as the Senate may, at such instance upon the recommendation of the Board, determine in furtherance of his aims of his research, and during such period the Reader may be paid from the income of the fund such allowance as the Senate may, upon the recommendation of the Board, determine so as to enable him to obtain personal contact with the theoretical and practical workers in his special subject. The period of absence should not exceed one year after every six years.

(5) The duty of the Reader ought to be to carry on original research in Nuclear Physics with a view to extending the bounds of knowledge in his subject and also to undertake research in associated subjects, to stimulate and guide research by advanced students and also assist them in Post-Graduate works so as to foster the growth of knowledge of Nuclear Physics amongst our young men.

(6) That subject to the general principles outlined above the mode of appointment of the Reader, the terms and conditions under which he has to hold office and the manner in which he has to discharge his duties, should be determined by rules to be framed by the Senate in that behalf from time to time upon the recommendation of the Board.

(7) That the Senate do, on the recommendation of the Board, make adequate provision for laboratories, workshop appliances and other requisites essential for the discharge of the duties by the Reader and for original investigation by the Reader, and the students attached to him.

(8) That whatever balance may remain out of the annual income of the fund after payment of the salary of the Reader should be, on the recommendation of the Board, applied in the equipment and maintenance of the laboratory, workshop and assistants, in so far as such equipment and maintenance may be necessary for the accomplishment of the work.

(9) That if, due to some unforeseen circumstances, the University finds it not possible to carry on researches in Nuclear Physics, the Board may, with the approval of the Senate, divert the income of the donation for fundamental researches in some other allied branch of Physics.

(10) That the Board mentioned do consist of the following persons, viz. :—

Vice-Chancellor of the University.
President of the Post-Graduate Council in Science.

(3) *Another to be nominated later.

The power of nominating a successor should be inherent in every derivate nominee of the Donor.

I shall be glad if you kindly place my offer before the Syndicate and the Senate for acceptance.

Rai Bahadur S. K. Ghosh addressed the following letter to the President, Council of Post-Graduate Teaching in Science, in connection with the creation of an endowment for study in Plastics in the Post-Graduate department of the University on the terms and conditions laid down therein :—

“To

THE PRESIDENT OF THE POST-GRADUATE COUNCIL OF SCIENCE,
UNIVERSITY OF CALCUTTA.

DEAR SIR,

I am desired by a group of friends who prefer to remain anonymous to communicate their wishes to make an endowment which has for its object development of industries in the Province. They are interested in the development of industries and feel that, in post-war India, plastic industries will play a very large part. They desire that the grant they propose to make may be utilised in introducing a course of studies in Plastics in the M.Sc. course and in the furtherance of research in this subject.

They are agreeable to place a sum of Rs. 1,15,000 (Rupees one lakh and fifteen thousand only) at the disposal of the University and suggest the following conditions :—

(a) That the University will have authority to spend not more than Rs. 25,000 (Rupees twenty five thousand only) out of the grant herein made on capital expenditure.

(b) That the balance be invested by the University in Government stock producing interest @ 3½% per annum.

(c) That an Assistant Lectureship be established for teaching and research in Plastics, together with a Research Studentship attached thereto tenable ordinarily for one year only, out of the income derived from the grant herein proposed.

(d) That the University agree to provide the building and equipment necessary for a Plastic Laboratory out of their own funds at the University College of Science and Technology and to maintain the same, at the recognised standard of efficiency, together with the necessary inferior establishment consisting of laboratory assistant and laboratory bearer, any surplus accruing from the endowment after providing for (c) above being utilised towards the cost of maintaining the laboratory.

(e) That the University agree to reserve one seat for admission to M.Sc. Classes in Chemistry, Applied or Pure, for a boy to be nominated by the donors.

Should the Syndicate be pleased to accept the conditions herein indicated and communicate their decision to me at an early date, I shall arrange to place the sum at the disposal of the Registrar on hearing from you.

The donors who prefer to remain anonymous will communicate their wishes through me or through Mr. K. K. Biswas of 9, Middle Road, Calcutta, during my absence and desire that communications meant for them may be sent on to me for transmission to proper quarters.

Awaiting an early reply,

I remain,

Yours sincerely,

S. K. GHOSH

(Rai Bahadur)."

5P, Middle Road, Entally,
Calcutta, 1st December, 1945.

The offer was accepted with thanks by the Senate on 26th January, 1946.

• The amount was received in 3% and 3½% G. P. Notes of the face value of Rs. 1,14,300 and the balance in cash.

ENDOWMENT since 1942**ABDUL HALIM TRAVELLING FELLOWSHIP**

Khan Sahib Maulvi Abdul Halim, elder brother of Dr. Md. Ishaque, M.A., B.Sc., Ph.D. (Lond.), Lecturer, Calcutta University, made over to the Calcutta University the sum of Rs. 15,000 (Rupees Fifteen thousand) only for the foundation of a Travelling Fellowship for sending out a scholar to Iran once in three years for the purpose of higher studies and research in Persian language or culture, tenable for at least six months, and maintained out of the interest accruing from the fund on certain conditions for the award.

The offer was accepted with thanks by the Senate on 22nd April, 1944.

The conditions as modified by the Syndicate on 10th August, 1944, and 27th April, 1945, stand as follows :—

1. That the Fellowship be named Abdul Halim Travelling Fellowship.
2. That the amount of Rs. 15,000 (Rupees fifteen thousand) only be invested in approved securities so as to produce an income of at least 3½% per annum.
3. That the entire management of the said fund in all respects whatsoever and the application of its income, be, subject to the general control of the Senate, vested in a Board of Management consisting of—
 - (1) Vice-Chancellor ;
 - (2) President of the Council of Post-Graduate Teaching in Arts ;
 - (3) One representative of the Executive Committee of the Council of Post-Graduate Teaching in Arts ;
 - (4) One representative of the Syndicate ;
 - (5) Donor or a member of his family after his death or a nominee of either of them ;
 - (6) Head of the Arabic and Persian Department ;
 - (7) The Consul General of Iran in India or his nominee ,
 - (8) An expert in Persian to be nominated by the Board of Higher Studies in Arabic and Persian ;
 - (9) One representative of the Iran Society.
4. That one Travelling Fellowship be founded, tenable for six months every third year, the fellow to be remunerated from the income of the fund.
5. That the Fellowship be open only to persons who have at any time passed the M.A. Examination in Persian of the University of Calcutta or Dacca. Persons holding Doctorate Degree of any University shall not be eligible for the Fellowship.
6. That the Travelling Fellows be nominated by the Board of Management subject to confirmation by the Senate. Each candidate shall be required to submit a general scheme of the work he proposes to undertake during the tenure of his Fellowship.
7. It shall be the duty of the travelling Fellow so selected to investigate educational methods in Iran in his special branch of study or to undertake research in any special branch of learning—such branch and the seats of learning where the investigation is to be carried on to be determined by the Board of Management in consultation with the candidate. The Fellow shall submit quarterly accounts of his work to the Board and supply such other evidence of the progress made by him as the Board may, from time to time, require.

9. The emoluments, attached to a Fellowship, shall be paid ordinarily in advance in two quarterly instalments. 10. The Senate shall have power, on the recommendation of the Board of Management, to frame supplementary rules for the efficient administration of the Fund. Such rules, however, shall in no wise conflict with the principle laid down above nor shall the Senate have power, under any circumstances, to spend any portion of the corpus of the fund but, if the Fellowship is not awarded in any particular year on account of lack of a suitable candidate or for like reason, the sum unspent may be temporarily invested by the Board and applied in the award of Fellowship next year.

RAMCHARAN MITRA SCHOLARSHIP

Mr. Phanindrakumar Mitter, sole surviving trustee to the Will of the late Mr. Ramcharan Mitra wrote the following letter regarding bequest of a sum of Rs. 29,200 for creation of scholarships for technical training, to the Vice-Chancellor.

To

THE VICE-CHANCELLOR,
UNIVERSITY OF CALCUTTA,

Re : Ramcharan Mitra Educational Endowment

DEAR SIR,

The late Babu Ramcharan Mitra, C.I.E., Senior-Government Pleader, Calcutta High Court, made a bequest in his Will for the purpose of founding free stipends for poor deserving students. The fund has since been invested in 3½% G.P. Notes of 1900-01 of the face value of Rs. 29,200 converted into Stock Certificates, yielding a net annual income of Rs. 1,022.

As the last surviving Executor-Trustee to the Will of the abovenamed, I propose to transfer the Fund to the University of Calcutta. As it is felt that the Government of India may, at a future date, repay the loan, absolute discretion will be granted to the University to sell or convert the Stock Certificates or any portion of them and invest the proceeds on other than Trustee securities, *viz.*, non-redeemable cumulative Preference Shares, yielding fixed rate of interest, a list of which is appended herewith to serve as a guidance.

The proposal above referred to is subject to the following provisions :—

(1) That the interest or dividend accruing out of the Fund shall only be usable and that the corpus shall be left untouched. There shall be set apart before starting operation of the scheme, a sum of Rs. 1,000 (equivalent to one year's stipend to be kept as reserve against falling off of income, in case of conversion of the securities.

(It is expected that this amount of Rs. 1,000 will accrue at the end of the current year, *i.e.*, December, 1946.)

(2) That out of the annual income the University shall maintain three scholarships which will be ordinarily valued at Rs. 20 each per month and another at Rs. 25 per month, to be tenable for such period as the Selection Board may determine in their discretion. The scholars will be elected after advertisement in Calcutta Newspapers.

Board for selection of candidate

(3) The Selection Board shall consist of—

- (i) The Vice-Chancellor, University of Calcutta.
- (ii) The President, Council of Post-Graduate Teaching in Arts, Calcutta University.
- (iii) The Principal, College of Engineering and Technology, Jadavpur.
- (iv) The Chairman, University Appointments Board or his nominee.
- (v) Two nominees of the Donor (present living Trustee), *viz.*, Mr. Justice C. C. Biswas and Mr. Rajlal Das, Offg. Secretary, Calcutta Port Commission with power to them to nominate their successors.

(4) Whenever possible, the scholarships shall be utilised for technical training and for this purpose, arrangements may be entered into with industrial concerns for providing necessary facilities for practical training. The selection of the Firm or Firms should depend on the nature of training desired, which should be determined by the Selection Board from time to time. If necessary, the scholars besides undergoing the industrial training arranged for should also be required to attend any technical Institute.

The scholarships shall be open to Hindus only who must be unmarried and remain so during the period of training. The scholars must pass the

Matriculation Examination or its equivalent in the First Division and produce necessary certificates as required by the Selection Board testifying to their moral character and pecuniary circumstances. The Selection Board should be reasonably satisfied that but for the award of the scholarships, the scholars would be unable to continue their studies. The Syndicate may discontinue the scholarships for reasons considered sufficient by them.

(5) Notices inviting applications to be submitted in proper printed forms must appear in at least two issues of two leading newspapers of Calcutta over the signature of the Registrar.

(6) The Syndicate in consultation with the Selection Board may frame rules for carrying out the objects of the Endowment.

(7) The above arrangements shall be open to revision at the end of every five years.

(8) The selected candidate will have to execute a Bond that he will complete his course on penalty of having to refund the amount of stipend received by him, in case of default.

In case you approve of the above I would ask you to have this accepted by the Syndicate, a copy of which may kindly be sent to me for my information and reference.

Yours faithfully,

28-1B, Jhamapukur Lane,
Calcutta,
April 23, 1946.

Phanindrakumar Mitter,
*Sole Surviving Trustee to the
Will of R. C. Mitra, deceased.*

In his letter, dated the 19th July, 1946, Mr. Phanindrakumar Mitter stated, among other things, as follows:—

Further, as the Government of India have now notified repayment of the $3\frac{1}{2}\%$ loan which the abovenoted endowment consists of, thereby removing the uncertainty of the income of the Fund (which will now stand at Rs. 876 per annum, if converted into 3% conversion loan), I beg to propose that the obligatory clause providing for the setting up of a Reserve Fund to meet any abatement of future income may be deleted, and leave it to the discretion of the Calcutta University as to the number and amount of Stipends to be formed out of the income of the Fund, and to Selection Board to fix the minimum Educational qualification of the beneficiaries.

The offer was accepted with thanks by the Senate on 27th July, 1946.

Mr. Phanindrakumar Mitra forwarded a further 3% conversion loan for Rs. 800 to make up the endowment to Rs 30,000, which was accepted by the Syndicate on 3rd January, 1947.

APPOINTMENTS AND INFORMATION BOARD

A scheme prepared in 1936 by the then Vice-Chancellor, Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, M.L.A., for providing greater opportunities to the Graduates and Under-Graduates of this University with the co-operation of business houses and different industrial concerns, for either employment or training or both, in trade, industry and commerce, was adopted by the Senate on the 23rd January, 1937. An Appointments and Information Board was thereupon established with a whole-time Secretary, in the middle of 1937, for a period of two years as an experimental measure, in accordance with the scheme adopted by the Senate. The Senate also sanctioned Rs. 36,000 for giving effect to the scheme. The scheme having proved successful, the Board was made a permanent Department of the University by the Senate on the 24th June, 1939.

The main functions of the Board may be stated as follows :—

- (1) To select apprentices for practical training, both technical and non-technical, in firms and industrial concerns ;
- (2) To recommend to firms names of suitable candidates for appointments when requested ;
- (3) To conduct examinations on behalf of employers for recruitment ;
- (4) To remain generally in touch with employers, to collect statistics, regarding possible openings and to supply information to the Graduates and Under-Graduates regarding the careers open to them ;
- (5) To advise students preparing for various Service Examinations, to supply them with particulars of such examinations, and if necessary, to organise their training ;
- (6) To organise, from time to time, courses of lectures to be delivered by well-known businessmen of the City, enjoying wide practical experience on different industrial and commercial subjects ;
- (7) To advise students regarding their careers, and to secure facilities for their admission into institutions where necessary ;
- (8) To study different fields of employment, to suggest new avenues and to organise courses where necessary.

The Board maintains a Register of suitable candidates (only Graduates and Under-Graduates of the Calcutta University), with details of their qualifications and careers, seeking employment through it. For this purpose, it works in close co-operation with the institutions affiliated to the University. In order to enable mufassil students to take advantage of the facilities offered by the Board, it has set up an advisory Committee in every College. It is always in close touch with different Chambers of Commerce and Trades Associations of Calcutta and their members, from whom valuable support is received. The Board is also consulted by some of the Government departments and quasi-Government institutions.

The Board is responsible for organising and conducting the Diploma Course in Social Work for giving training to Labour Welfare Officers employed by Governments both Central and Provincial, Indian States and Industries. This course starts in January and spreads over one year.

Chairman—Prof. P. N. Banerjee, M.A., B.L., Barrister-at-Law. — *Vice-Chancellor*.

Secretary—Mr. D. K. Sanyal, O.B.E., M.A.
